

RivahFest Grant Application

After a number of successful years of operation, RivahFest Steering Committee has committed itself to investing back into our community. Annually the RivahFest Steering Committee will select several organizations or groups that are active in our community and award cash grants. Grant announcements, awards and press releases will be made throughout the year. The number of grants and value of each grant will be at the complete discretion of the RivahFest Steering Committee.

Preference will be given to initiatives that address priority community needs, show evidence of leadership that responsibly administers the project, and use volunteers, matching or in-kind support to leverage their effectiveness. RivahFest Grants will not be provided to individuals, sectarian religious groups, campaigns or for debt reduction. RivahFest may request that a presentation be made to the Steering Committee and/or visit be made to the applicant's organization. RivahFest requests photo permissions for all grant awards and the right to publicize them.

Mail the completed form to RivahFest Grants, P O Box 990, Tappahannock, VA 22560. You may include a one page cover letter to provide any information pertinent to the grant request not covered by the application below.
